

# Colorful Cookies!

## Ingredients:

1 cup butter or margarine, 1 cup sugar, 1 large egg, 1 teaspoon vanilla extract, 2 teaspoons baking powder, 2 3/4 cups flour, food coloring, rolling pin, cookie sheet, and cookie cutters.

## Recipe:

Your child can help measure, stir, and mix!

Mix butter and sugar in a bowl, then add egg and vanilla.

Mix all dry ingredients and slowly add to the butter. Mix it all thoroughly.

Separate the dough into three balls, approximately the same size.

Take one ball and mix in a few drops of yellow food coloring, mix red food coloring into the next ball, and blue into the remaining ball.

Roll out on lightly floured board. If you want to combine colors, that is fine.

Cut out cookies using a cookie cutter.

Bake at 400 degrees for 7- 10 minutes.

The cookies should be light in color with light browning on the edges.

Let cool before eating.
